

CANNPANION

Natural occurring CBD for the hills and valleys of your pet's life

Like humans, animals have an endocannabinoid system, which are enzymes and receptors that facilitate the benefits of cannabinoids. CBD is a non-psychoactive compound, which means that your pet will not feel high or intoxicated.

CBD HELPS WITH

Like humans, animals have an endocannabinoid system, which are enzymes and receptors that facilitate the benefits of cannabinoids. CBD is a non-psychoactive compound, which means that your pet will not feel high or intoxicated.
